Need Home Repairs?

Lexington County has funds available to make repairs to your home. Up to \$30K per home can be used to repair items on the interior and exterior of owner-occupied housing. There are income limitations that apply. For information on the Minor Home Repair Program, contact town hall or the Lex. County Comm. Development Office at 785-8281.

Tree Lighting Fun

Thank you to everyone who came out!

Volunteers Needed

Would you like to be more involved with your community? Contact town hall to learn more about the opportunities that are available to serve on a board or commission, beautify the community, or help with planning and executing town events.

Yard Waste

Yard waste should not be placed near power lines or other objects. Loose leaves need to be bagged. Bags are available at Town Hall for \$8 per roll.

2014 has been a very busy year for the Town of Springdale. As I wrap up my first year as your Mayor, I wanted to provide a few highlights from the past year as well as a preview of next year. This is an exciting time for Springdale, and your town government is hard at work to maximize every opportunity that comes our way. Communication, planning, and community building have been the top priorities and they will continue to be important as we look forward to 2015.

Communicating with residents has been a top priority for the Council and me in 2014. I hope that many of you have had a chance to receive my weekly electronic newsletters. I send out information about upcoming events, Council meeting agenda items, and other news that is important for the residents of Springdale. I plan to continue sending out newsletters throughout my time as Mayor. If you would like to receive the newsletter, visit the Town website or contact town hall for more information.

The Town Council has been busy planning for the future of Springdale. In 2014, the Town's comprehensive plan was updated and Council adopted a strategic plan that outlines goals and objectives that we hope to achieve. In 2015, we will begin the process of planning for future infrastructure improvements with the adoption of a capital improvement plan along with our operating budget.

Community building through civic engagement and community events is an important component in ensuring that our town maintains the high quality of life that all of you expect. The Town will continue to host events such as our Easter event, tree lighting, and farmers markets as well as other events throughout the year. 2015 will be the 60th anniversary of the founding of Springdale, and we will host an event in June to commemorate it. Be sure to come out to these events throughout the year to see old friends and make new ones.

It has been my privilege to serve as your Mayor, and as always, please don't hesitate to contact me or town hall if there is anything we can do for you.

Sincerely,

Michael Bishop
Mayor

Community Survey

Please complete the survey that you received along with this newsletter. Your honest opinions will ensure that we are doing what you want us to do. All survey responses will be anonymous. Surveys can be mailed (note that postage will be required to mail your response) or placed in the drop box located next to the front door of town hall.

DARE Graduation

Congratulations to the 2014 DARE graduates from Springdale Elementary School!

Town Meetings

All Town meetings are open to the public. Please see the calendar on the other side of this document for the dates of Town meetings. Everyone is invited to attend! If you would like to have an action item discussed at a Council meeting, you must notify town hall on the Thursday before the meeting.

Town Ordinances

Do you have a question about town rules? All of the Town's laws are available online at www.municode.com.
